

Journal of Education and Special Education Technology

Volume 4, Issue 1, (2018)

Journal of Education and
Special Education Technology
JESET

Message from Editor

Dear Readers,

It is the great honor for us to publish Volume 4, Issue 1 of Journal of Education and Special Education Technology's (JESET). From 2015 till this days, we, as editorial team of JESET, aimed and made an effort to gain researches on technology in special education, have high quality and unique findings. We believed that just this kind of researches could useful for literature and our audiences such as readers, researchers, trainers, instructors in special education and educational technologies area.

A total number of seven (7) manuscripts were submitted for this issue and each paper has been subjected to double-blind peer review process by the reviewers specialized in the related field. At the end of the review process, a total number of two (2) high quality research papers were selected and accepted for publication.

Aim of this issue is to give the researchers an opportunity to share the results of their academic studies. There are different research topics discussed in the articles.

The topics of the next issue will be different. You can make sure that we will be trying to serve you with our journal with a rich knowledge in which different kinds of topics are discussed in 2018 Volume.

I would like to present many thanks to all the contributors who helped to publish this issue.

Best regards,

Yours sincerely,

Associate Professor Doctor Adile Askim KURT
